

## *LeeAnn*

*We've come a long way since we met years ago  
We've been through both good times and bad  
Who would've guessed in your mom's shop I'd find  
The best friend that I've ever had?*

*Your family adopted my daughter and me  
Madison and Brooke are good friends  
We spend every Christmas at Ma-Ma's house  
The fun that we have never ends!*

*You like to watch wrestling; you listen to Cher  
Like me, you're outgoing and loud  
Your hair changes colors; your hazel eyes shine  
All eyes are on you in a crowd.*

*Attractive and funny, and friendly no less  
'Tis good that your head is attached  
For you would sure leave it each time you went out  
Your forgetfulness, dear, is unmatched.*

*They say nail technicians are polished and smooth  
And you're at the top of your craft  
And 'wild' and 'crazy' describe you as well  
And I cherish the times that we've laughed.*

*Your Maw-Maw Cook was so special to you  
You still miss her greatly, it's clear  
Your memories are precious, so keep them close by  
And your sadness will soon disappear.*

*You've always been there when I've needed to talk  
And I hope I've done likewise for you  
And gggiiirrrlll you ain't gonna believe this  
But best wishes are long overdue!*

*You're getting married, and you've got a good one -  
Scott Goodwin, of course, is his name  
He'll soon be your husband and Madison's dad  
And your lives, they will not be the same.*

*The twenty-eighth day of September will come  
When it's done you will be a new wife  
May God always be at the head of your home  
And may you all live a long happy life!*
